

FREIGHT TEC

FOR AGENTS

Last year didn't turn out like you had hoped?
Here are 5 things that freight agents should do to

MAKE
★ THIS YEAR ★
THE BEST YEAR YET

— WORK WITH —
BROKERS
WHO WON'T COMPETE WITH YOU
and steal your business.

Freight Tec doesn't have an internal brokerage. They even guarantee in writing that they will never bring your clients in-house.

Keep the business you've already
EARNED

Don't work with a broker who might steal the fruits of your hard work. Freight Tec's only source of new business is your business so they want you to do well.

— LET GO OF THE —
STRESS & RISKS
of brokering

Freight Tec backs up agents with \$100,000 broker and military bonds, errors and omissions insurance, and contingent liability insurance.

DON'T SIGN BINDING
CONTRACTS
and non-competes

Taste the freedom that comes when you aren't bound to a broker. Freight Tec doesn't make agents sign a non-compete.

STOP WORRYING ABOUT ALL OF THE
OVERHEAD
costs, risks & running your own office

With 30 years of experience and comprehensive back office support, let Freight Tec handle everything. You can focus on growing your business instead of worrying about how to keep it alive.
